- It would be helpful if you could arrive early to church to set up the above
- Please bring 6pt of Semi skimmed milk each week as this will be sufficient for the morning and evening service. All other supplies will be in the cupboards (If there is a shortage please let one of the deacons know)
- When you have washed up and cleared away from the café tables, could you leave a couple of trays of cups out in preparation for the evening service
- Could you take home and wash the tea towels and dishcloths and bring back to use the following week please
- Empty kitchen and toilet bins (please recycle if possible by taking home what you are able and put the rest of the rubbish in wheelie bin in church foyer)

As you finish the last week, could you just give a reminder to those who follow you on the list please.

**IF YOU ARE UNABLE TO DO ANY OF THE ABOVE DATES, IT WOULD BE REALLY HELPFUL IF YOU COULD ORGANISE A SWAP WITH SOMEONE DIRECTLY**
